CC Docket 02-6

Mark, see the attached two pages of the document from Business Systems Connections.

We filed for the items on the first page and neglected to include the items from page 2 (the second attachment). This was a clerical mistake and an oversight that were additional line items to include with the request for eligible data equipment.

We thank you for your consideration.

Carol

Subject: For FCC appeal WHITESIDE MIDDLE SCHOOL ERATE EQUIPMENT FOR FY2015

Mark, thanks for your patience.

I think that this email from the vendor should clear up the arithmetic discrepancy. See below.

Pls advise.

Thanks, Carol

To: Carol Underriner <carol@btu-consultants.com>
Subject: WHITESIDE MIDDLE SCHOOL ERATE EQUIPMENT FOR FY2015

Dear Carol,

The Whiteside Middle school sent one PO #WSSDJB-UBIQUITI with a total of \$13,023.00. This was a two page document dated March 6, 2015. The total printed was for \$14,515.00. This was an error as the correct total is \$13023.00.

Thank you very much!
